WORK HISTORY

10/2023 to Current **Dental Hygiene Student**

Pima Medical Inst – Seattle, WA

- Improved patient oral health by conducting thorough dental cleanings and providing personalized oral hygiene education.
- Assisted dentists with various procedures, ensuring a smooth workflow and optimal patient care.
- Managed patient appointments effectively, reducing wait times and maintaining punctual schedules.
- Contributed to efficient office operations by managing inventory and ordering necessary supplies in a timely manner.
- Collaborated with dental team members to develop comprehensive treatment plans for patients with complex needs.
- Educated patients on proper brushing and flossing techniques, leading to improved oral health habits at home.
- Implemented infection control protocols diligently, ensuring a safe environment for both patients and staff members.

09/2021 to 09/2022 **Dental Assistant**

Essence Of Dentistry

- Performed general chair-side duties for general dentistry, endo procedures and oral surgery.
- Educated patients by giving oral hygiene, plaque control and postoperative instructions.
- Cleaned and sanitized dental tools and equipment, straightened treatment rooms and restocked supplies to prep for next patient and maintain health and safety practices.

11/2019 to 02/2021 **Piano Teacher**

Self-employed

- Developed lesson plans, selected course materials and prepared assignments.

EDUCATION
